Manufacturer of

TRUNKS AND BAGS

THE SOLE LEATHER TRUNK, made by this firm entirely by hand, as are all its productions, is composed of genuine oak-tanned sole leather and steel frame, and is as perfect as experience and skill can devise.

THE "CATTNACH" TRUNK, in two styles—one for ordinary traveling purpose, and the other for steamer use beneath berth—is trimmed with imported brass metal and bound with raw hide. It is unexcelled for lightness, strength, and durability, and is equal if not superior in every respect to anything produced in Paris or London.

THE "CONTINENTAL" TRUNK, though differing in style from the "Cattnach" trunk, is also of light weight. Originally designed over forty years ago for the separate use of ladies and children, as well as for gentlemen, it provides in a variety of interior arrangements for hats, shoes, shirts, and general apparel.

These, with the addition of trunks of every kind adapted for travel on land or sea, Dress Suit Cases; Shirt Cases; Boot Kits; Three-fold and Bellows-top Valises; Ladies' Bags of Pig, Seal, Enameled Calf, and Alligator Leathers, and Gentlemen's Bags of English Kip and Enameled Calesche Leathers, form for discriminating selection all the requirements combining superior taste, workmanship, and material.

Le Mesurier Artists' Colors

Are the same in first shades, and will produce absolutely the same tints as the best English tube paints. We guarantee our colors to possess all desirable features found in domestic or foreign manufactures, and to excel them in many essential qualities, such as impalpable firmness, freedom from lint and other vexatious substances, and positive uniformity of strength and shade.

NOTICE—Our Single Tubes, with few exceptions, are double the size of any foreign now in the market. Price Lists and Pamphlets, giving opinions of some of the most eminent artists, will be furnished on application. Among others who have used them and attest their merits are:
